It's summer time

Dear children,

We wish that you enjoy every minute of this long break with your family. **We are all in an unfamiliar situation and have no clue of how to deal with it.** We should use the time for self reflection, exercise and joyful activities. Stay home, read books, share the childhood memories of your parents and grandparents. Learn to be responsible by helping your parents in daily chores. Enjoy bed time stories, dance, play board games.

We are giving you a variety of fun-filled activities and worksheets which you can do during this time. Do your work neatly.

*This is the time to be slow,
Lie low to the wall
Until the bitter weather passes.
If you remain generous,
Time will come good;
And you will find your feet
Again on fresh pastures of promise,
Where the air will be kind
And blushed with beginning.*
