KINDLY NOTED → All the holiday home work should be done in three in one note book in neat hand writing.

Dear students and parents here are a few guidelines, for you and your parents to make your long summer break, a time to cherish constructively.

1. Healthy body Healthy Mind → Summers are the best time to gain good health. Eat healthy food and sleep well for a healthy body. Stay at home do exercise and yoga along with your parents and siblings to be fit.
2. "Books are my friends" → Summer afternoons are perfect to enhance the reading skills. Go for good story books, comic books, children's magazines. You can also sit with your parents to read the age appropriate news from the newspaper.
3. "Let's Communicate" → Communication skills play a pivotal role in grooming the overall personality of the children. To enhance your speaking skills you can take stories and make the dialogues to enact that. Converse in English with your parents as well.
4. "My Home Work My Job" → Try to do your holiday projects on your own with a little guidance of your parents.
5. "My Society My Duty" → Spread social awareness regarding corona you can start with your family members itself always follow safety measures before going outside.

STAY HOME STAY SAFE !

HAVE A NICE SUMMER BREAK !!
