IMPORTANT GUIDELINES FOR HOLIDAY HOMEWORK

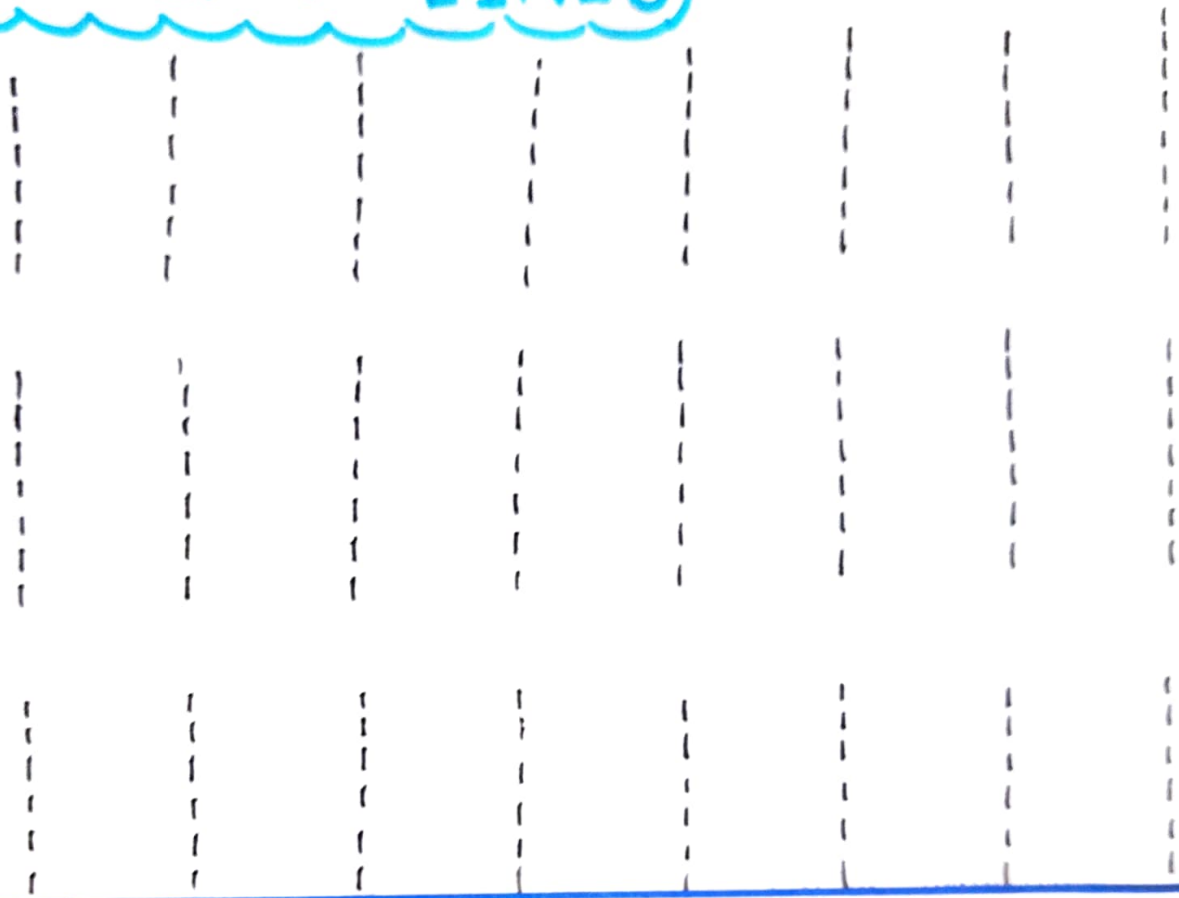

Summer Vacation Fun and Learn for Kids.

Summer Vacation is wonderful time for our little ones to relax and enjoy. It's also an opportunity to spend quality time with family and learn new skills.

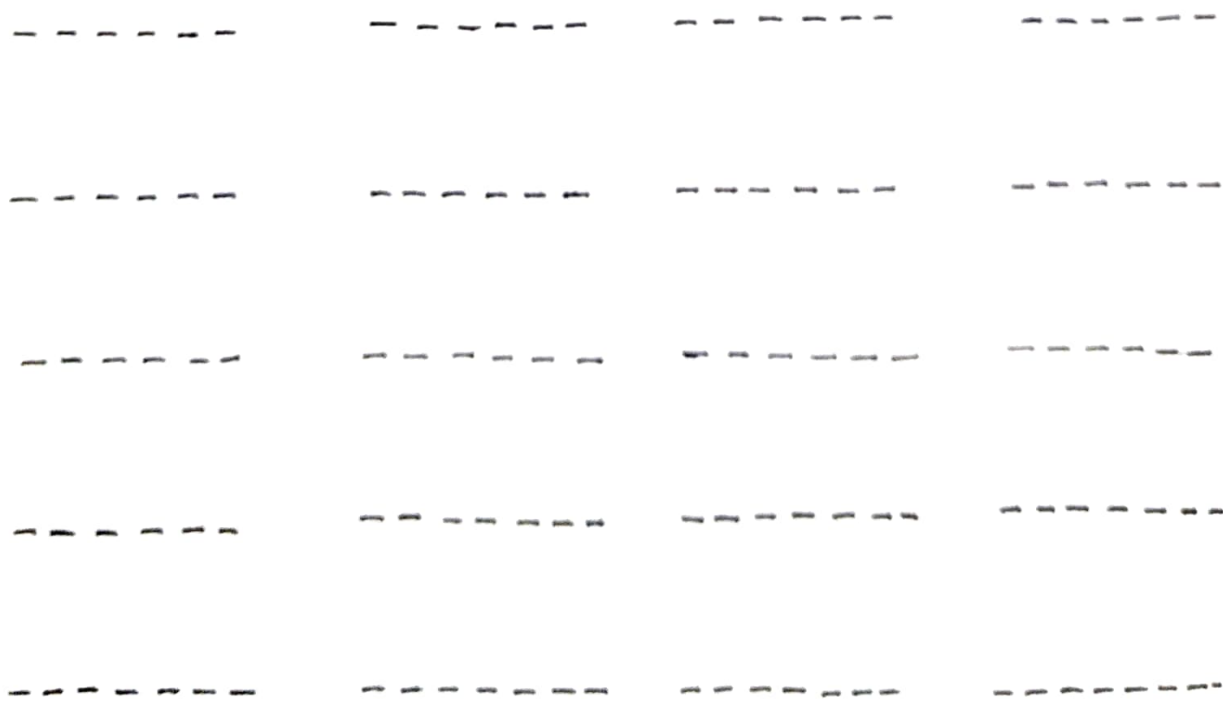

Parents, here are some activities and habits to encourage in children during this break.

- Practice buttoning up the shirt.
- Learn to put on socks and shoes.
- Pack their own bag for outing or activities.
- Always use a trash bin to dispose of waste.
- Brush teeth twice daily to maintain dental hygiene.
- Let them water the plants every day.
- Drink plenty of water, juice, lemonade and milkshakes to stay refreshed.
- Share stories about your childhood and family history to build connections and pass on traditions.
- Provide lots of colouring materials and encourage creative expression.
- Enjoy this summer vacation with your children by helping them learn these valuable skills and habits.
