## **My Dear Learner**

Hope you are keeping well and safe!

The long-awaited summer break is finally here! These past days have taught us that whether at home or at school, our real strength lies in the unconditional love and togetherness of our family. We take pride in reminiscing how the VNPS FAMILY has been working together through this pride to ensure that all learners learn and feel a true sense of belonging.

We are sure this summer break will not only help you to sharpen your skills further but also to have fun and frolic with your family members. The Summer Assignment has been designed, keeping in mind to offer you an experiential learning, ideas, activities and an opportunity for you and your family to spend exciting time together. We hope you will enjoy !
